Re: Closure of Administrative Order  
Docket No. SDWA-8-2002-08  
PWS ID #AH03039 (formally 4901268)

Dear Mr. Tidwell:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Administrative Order, Docket No. SDWA-08-2002-08, issued to the USDA Forest Service regarding the Malibu-Dewitt-Guinavah Campground on July 23, 2002. Based on the information you have provided, that Birdneau Spring has been permanently removed from the distribution system and no longer supplies water, EPA has determined that the Forest Service has complied with the requirements of the Administrative Order.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations ("NPDWR"), 40 C.F.R. Part 141. Violation of the NPDWRs or an administrative order may subject you to a court-imposed injunction and penalties of up to \$32,500 per day of violation.
